Mission

Friends of Stark Parks is a non-profit volunteer organization dedicated to supporting the mission of Stark Parks through fundraising, membership and advocacy.

Vision

To partner with Stark Parks to ensure people benefit from utilizing the parks while providing avenues for them to give back.

PRESIDENT'S STATEMENT

As President of the Friends of Stark Parks, I want to sincerely thank you for your continued support throughout 2025. Your commitment and generosity have once again played a vital role in making this year a successful one for our organization and for Stark Parks. Because of your support, we were able to assist with several important projects, and I would like to highlight a few of the funding priorities we helped advance:

- **Chip and Seal Machine** - This valuable addition has been used to restore and improve trails across the county, enhancing both accessibility and safety for park visitors.
- **Quail Hollow Park Boardwalks** - Fundraising efforts continue to rebuild the boardwalks, ensuring these well-loved features remain part of the park experience for years to come.
- **Summer Serenades** - Our popular concert series once again toured the county, providing opportunities to enjoy live music throughout our parks and in collaboration with other local park partners.
- **Sippo Valley Trail Bridges** - We are pleased to share that Bridge 7 has been successfully replaced, with additional bridge improvements ongoing along the trail.
- **Petros Park Restrooms** - Modern facilities and improved comfort for all park guests have been completed and opened

Thank you for your unwavering support. These projects represent just a portion of the meaningful impact your generosity has on our park system. We hope you can visit the parks and experience these improvements firsthand.

This year also marks my final term as President of the Friends of Stark Parks board. I am deeply grateful to everyone I have had the privilege to meet and work alongside during my service. I look forward to continuing my involvement with Friends of Stark Parks and seeing you all enjoying the parks in 2026.

WILLIAM REGULA

President

INCOMING PRESIDENT'S STATEMENT

As you can see in our 2025 report, Friends of Stark Parks has had another successful year! Everything we have been able to accomplish has been a result of the hard work and tremendous support of our board, volunteers, donors, and members. I want to thank you all for that support. As I step into the board president role, I am encouraged that so many people love the parks and recognize how valuable of a resource they are to our community.

There's no plan to slow down in 2026, and we're continuing to make the Parks a place everyone can enjoy. This year, we're planning on helping fund a number of projects across the Parks system, such as

- 2026 Summer Serenades Concert Series
- Kayak Vending Machine
- Sippo Valley Bridge Repairs
- Quail Hollow Boardwalk Repairs
- Accessible Transportation for Park Events

By doing these things, we're continuing to build off the great work Friends of Stark Parks has done over the years.

I joined Friends of Stark Parks because I believe the Parks make our community unique and provide benefits to us all. In 2026, I want to extend the challenge to join us in our work. Attend events, sign up to volunteer, or participate in our annual fundraisers. If you're able, please consider donating to one of our causes or becoming a Friends of Stark Parks member. Your involvement goes a long way. I look forward to writing to you next year and highlighting all the work we've done.

SPRING PEEPER CANALWAY CLASSIC

For the first time in a few years, we had perfect race-day weather – no rain and no snow!

With over **300 runners and walkers** participating, the 2025 Spring Peeper was an incredible success.

Together, we raised **more than \$7,000** to support projects at Stark Parks. Thank you to everyone who came out, participated, volunteered, and supported this event. We couldn't have done it without you!
