Mission

Friends of Stark Parks is a non-profit volunteer organization dedicated to supporting the mission of Stark Parks through fundraising, membership and advocacy.

Vision

To partner with Stark Parks to ensure people benefit from utilizing the parks while providing avenues for them to give back.

PRESIDENT'S STATEMENT

As President of the Friends of Stark Parks, I would like to extend my gratitude for your support throughout 2024. Your dedication and contributions have been instrumental in making 2024 another successful year. Support for Friends of Stark Parks was high in 2024 with over 700 members, a successful annual fundraising campaign and our two fundraisers being more successful than the last. These efforts led us to be able to support Stark Parks in many ways but I want to highlight some of the funding needs we assisted with this year:

- Deer Creek ADA Boat Launch: Enhancing accessibility and providing greater opportunities for all to enjoy our waterways.
- parkrun Lock Box: Supporting the parkrun community and ensuring the safety and security of their belongings.
- Wildlife Conservation Center Floor Scrubber: Ensuring a healthy and clean environment for our wildlife.
- Summer Serenades: Bringing the joy of music to local parks and enriching the cultural life of our community.
- Wildlife Conservation Center Perimeter Fence: Enhancing the safety and security of our wildlife and visitors.

I want to express my sincere thanks to our Friends members, volunteers, donors and sponsors for your enduring support of our mission and vision. Without you we would not be able to accomplish our goals in support of Stark Parks. Thank you and I look forward to seeing you in the parks in 2025!

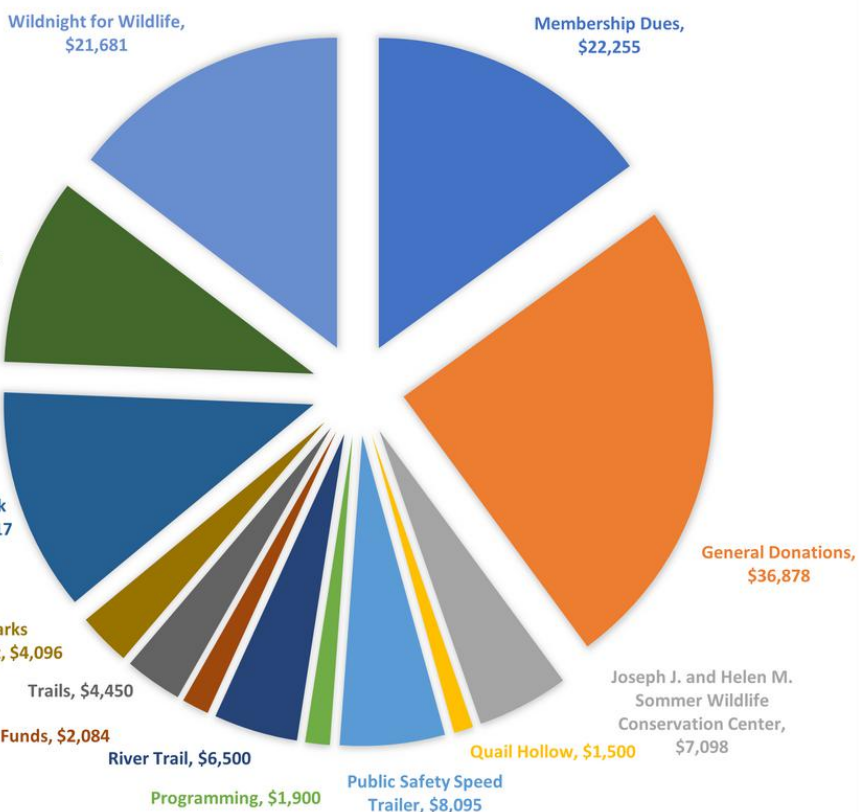

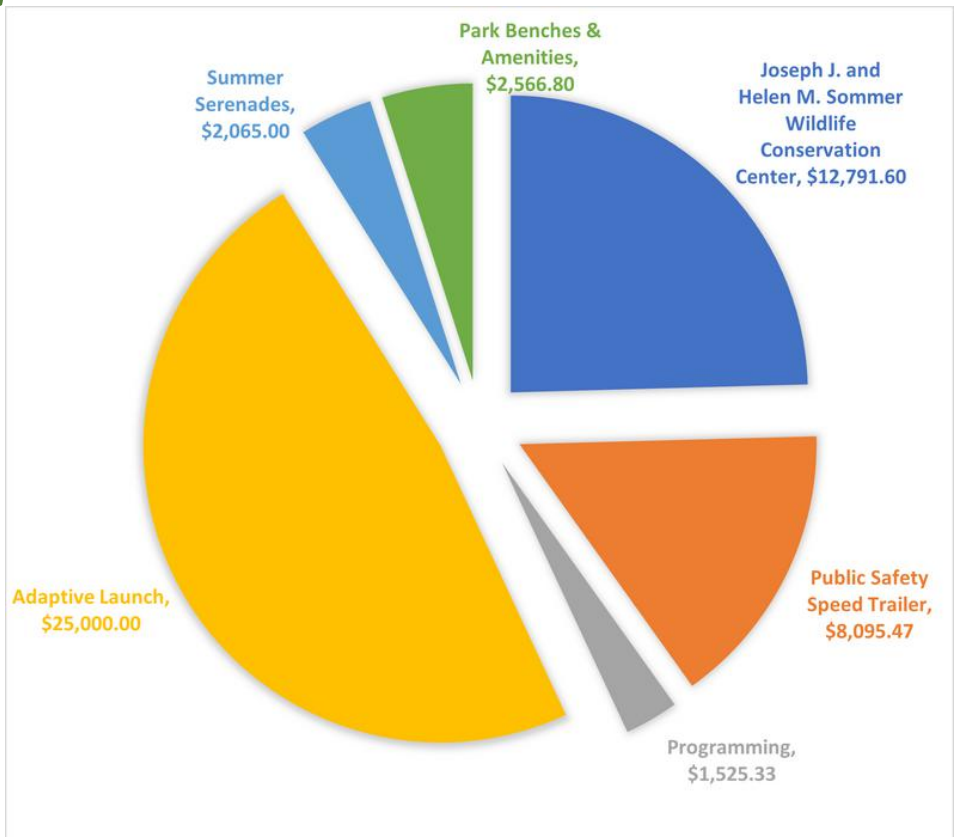

WILLIAM REGULA

President

FINANCIAL OVERVIEW

FUNDED PROGRAMS AND PROJECTS

Friends of Stark Parks managed to fund over \$52,000 in programs and projects in 2024.

FUNDS RAISED

Friends of Stark Parks raised more than \$148,000 in donations in 2024. These funds are allocated to donor-specified projects or provide general support to Stark Parks for the current year and beyond.

FUNDRAISING HIGHLIGHTS

Spring Peeper Canalway Classic

It may have been rainy, but we had a great turnout with over 390 participants and raised over \$8,000 to help support Stark Parks projects.

Wild Night for Wildlife

This year's event was a tremendous success! We adopted a new format with an online silent auction, which enabled participants from all over to join us and contributed to raising over \$12,000. Attendees enjoyed a wonderful evening supporting the Friends of Stark Parks while learning about current and future projects.
